

## Why attend MCN 2018?

### Here are 6 great reasons to come to Denver...

- **INNOVATE.** MCN is your one-stop shop to see what some of the most innovative vendors in the industry are up to, and try the technology out for yourself.
- **CONNECT.** Build a network of peers with diverse experience. From seasoned decision-makers to emerging professionals, all with a range of skills and interests.
- **LEARN.** MCN sessions go beyond what works—they share what doesn't, too. Take best practices back to work that you can apply right away.
- **COLLABORATE.** Learn from colleagues working on cutting-edge projects, then get hands-on. At MCN we love to collaborate and build new things—together.
- **EXPLORE.** Go in-depth with experts in immersive workshops and behind-the-scenes on tours at tech-forward organizations around the city.
- **EXPAND.** MCN welcomes more than just museums. Meet global professionals from aquariums, zoos, archives, and libraries, and everything in between.

...and did we mention the extraordinary receptions? They're included with registration!
